## 2016 /17 Lethbridge Cash League Rules

1. **SPARE RULE:** *Anyone* can spare for a Lethbridge Cash League team as long as they are NOT a current member of another Lethbridge Cash League team. You can have as many spares as you want to field a team and these spares can play any position. This rule is in place to help avoid the need for cancelled games.
2. **MAKE UP GAME RULE:** All games must be played prior to or one week following the scheduled date. If a team cannot play on the scheduled date they must arrange to play it prior to the scheduled date or before their next scheduled game or receive a loss for the game. The team being requested to play a make-up game must make every effort to accommodate the scheduling of this make-up game. The Lethbridge Cash League Committee will and can make the final decision of a win or lose if there is a dispute. *Exceptional, extenuating* circumstances will be dealt with by the Lethbridge Cash League committee on an individual basis. Please, look ahead in your schedule, identify weeks where there will be an issue and make the effort to get the game played prior to its scheduled week.
3. **TIE RULE:** If a tie occurs during round robin play, the tie will be broken by skip rock draw to the button. Skips will throw 1 stone each with sweepers, closest to the pin takes the win. The money will be broken down \$150 to the winner, \$50 to the loser. This allows for a tie to mean something but not have the money split equally. There will be **NO TIES** in the playoff format. *An extra end or ends must be played to have a winner in the Playoff round(s).*
4. **PLAYOFF RULE:** The playoff format, will consist of two games for each team in the top 12. Following the final round robin games. Teams will be placed into three groups of four and one group of three based on their cash earnings. NOTE: Playoff winnings **WILL** count toward your teams overall standings and ultimately the league champion.
5. **FUNDRAISING RULE:** As in previous years, fundraising by our Lethbridge Cash League members helps to support the winnings available throughout the season and the playoffs. It also helps to justify the investment made in our league by the Lethbridge Curling Club, showing the club that we are not just taking, but giving back as well. The Lethbridge Cash League will be putting together Scottie and Brier Squares that each team will help in selling and promoting. We will have more details on this as the STOH and Brier dates approach.

Many of these kids want to become competitive curlers and having your team out with them would be a great experience for them all! Please pick a date that works for your team and email me back to book it. Any team that does not participate in volunteering on one of these dates will lose \$200 from their cash league payout.**
