

## LETHBRIDGE CURLING CLUB POLICY FOR PRACTICE ICE

During the regular season - **excluding bonspiels and any other competitions**, **MEMBERS** of the Lethbridge Curling Club may use the open sheets for practice on a first come first serve basis.

Pre-booking of practice ice is not permitted and we encourage you to contact the club prior to planning your practice to ensure we have not reserved the ice for a rental group. Upon arrival for a practice, members are requested to check in with the office to see what sheets are available, and members are also expected to share a sheet with other members when there are more people waiting than there are sheets available..

**During Bonspiels, Ice Rentals and any other competitions practice ice will not be available until after the conclusion of the bonspiel or competition.** The only exception to this policy is for teams who have already qualified for Playdowns, and they may use the ice subject to availability.

The Executive Director of the club has the authority to schedule practice ice at the beginning of the season which best serves the Membership and Financial interests of the Lethbridge Curling Club.
